Shimaa Ahmed

LANDSCAPE ENGINEER

Alexandria, Egypt | +201066331813 | Shima.ahmed1721@gmail.com
https://www.linkedin.com/in/shimaa-ahmed-a945721a5/

Able to relocate

Objective

As a passionate and creative landscape and garden designer, aim to transform outdoor spaces into aesthetically pleasing, functional, and sustainable environments. By combining artistic vision with ecological principles, and using 2D and 3D software programs, strive to create landscapes that enhance the natural beauty of the surroundings while meeting clients' unique needs. My goal is to design gardens that promote biodiversity, improve environmental resilience, and offer serene, enjoyable spaces for people to connect with nature.
